

Making Tax Digital (MTD) Implementation packages

Bronze

Suitable if you're already using software that's compatible with MTD.

- Old Mill will review your account codes to ensure they are correctly categorised for HMRC reporting
- Old Mill will help you set up the MTD link properly

Gold

Suitable if you'd prefer Old Mill to set up Xero for you as your MTD-compatible software.

- Old Mill will complete your software set up, including making sure account codes have been correctly categorised for HMRC reporting
- Old Mill will help you set up the MTD link properly

Silver

Suitable if you're not currently using MTD-compatible software, but feel comfortable setting it up yourself.

- Old Mill will review your software set up, including making sure account codes have been correctly categorised for HMRC reporting
- Old Mill will help you set up the MTD link properly

Platinum

Suitable if you'd prefer Old Mill to set up and train you on how to use Xero as your MTD-compatible software.

- Old Mill will complete your software set up, including making sure account codes have been correctly categorised for HMRC reporting
- Old Mill will help you set up the MTD link properly
- Includes a three-hour Xero training session. Any extra hours will be charged at £150 per hour

Note: The above packages are exclusive of any software subscription costs.
